

## Ordering Checklist

Do you have all the parts required to build your new *Arabian Aluminum Railing*?

✓ **Level Sections** - 6' x 36" or 8 x 36" level railing sections

✓ **Stair Sections** - 6' x 36" or 8' x 36" stair railing sections

✓ **Posts** (There are two types of posts, one with a welded flange and one without. If purchasing the post without a welded flange, you will need to purchase a Fracket, for concrete installations, or a post bracket for wood or concrete installations.)

✓ **Fracket or Post Bracket**

✓ **Post Caps** - You will need one for every post, flat and ball caps available.

✓ **Trim Rings** - You will need one for every post.
